Our approach to phonics

Reading books

How many times have you read today?

What is phonics?

Phonics is making connections between the sounds of spoken words and the letters that are used to write them

Phonics is an approach to teaching reading and writing skills.

Phonics helps children develop reading and spelling skills at an early stage e.g. **pin** can be sounded out to support reading and spelling.

Read Write Inc at St Joseph's

Read Write Inc is the UK's leading synthetic phonics programme.

Read Write Inc is designed for children from reception to Year 4. For children beyond Year 4 who still need support we use the Fresh start Read Write Inc Programme.

It is a statutory requirement for schools to teach phonics in KS1.

Read Write Inc at St Joseph's

Following feedback from parents, staff and children we have carefully looked at how RWI fits in with our goals at St Joseph's.

Before- RWI was an hour long lesson where children practiced learning their sounds, reading a book and writing.

Now- RWI is a 30 minute lesson where the children focus on learning their sounds and reading a book. Children return to their class to complete writing activities based on a class text.

Children are assessed every half term to monitor progress.

In 2024 98% of children had passed the phonics screening check, this is well above the national average which was 80%.

How do we teach phonics?

We use Read Write Inc

The programme has a strong focus on teaching children to know and remember more.

Children are taught daily, in small groups, from Reception upwards.

The small groups children are in ensure that all children are taught at their appropriate level, which results in good progress being made.

The RWI programme supports the teach simply model:

Review/ Revisit- Previously taught sounds and words are continuously reviewed and revisited at the beginning of every RWI Phonics lesson.

Teach – Children are taught a new sound following the same sequence daily.

Practice - Children have the opportunity to practise reading the sound in words, including multi-syllabic words.

Apply- Children apply reading the sounds in alien words and in closely matched, phonically decodable books.

How do we teach phonics?

The sounds are taught in a specific order

Reading in school

Children who attend Read Write Inc lessons are heard reading daily.

The daily reading will not be recorded in your child's reading record.

Your child's class teacher will record when they have read with them in the reading record during the half term.

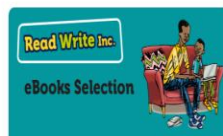

After the third read...
