

Information and Communications Technology Acceptable Use of Internet Agreement Reception and KS1

Pupil Agreement

This is how I stay safe when we use computers:

- I will only use the computers, tablets or internet when there is an adult.
- I will only use activities that an adult has told or allowed me to use.
- I will take care of the school computers, tablets and other equipment.
- I will ask for help from an adult if I am not sure what to do or if I think I have made a mistake online.
- I will tell an adult if I see something that upsets me on the screen.
- I know that if I break the rules I might not be allowed to use a computer/tablet.

Parent/Carer Agreement

As the parent or legal guardian of the child named above, I give permission for my son or daughter to use the internet at school, under adult supervision.

I understand and agree to the following:

- I will talk to my child about the school's rules for safe and responsible internet use.
- The school will take all reasonable steps to keep children safe online, including using monitoring and filtering systems. However, I understand the school cannot guarantee that all content accessed will be appropriate.
- I will support my child in using the internet and digital media safely at home.

Photos and Videos at School Event

- Parents/carers are welcome to take photos or videos of their own children for personal use.
- To respect the privacy of other children, these images should not be shared online or on social media, and comments about other children's activities should not be made.

Online Safety and Game

- I understand that allowing my child to play computer or online games that are not suitable for their age may be considered a safeguarding concern, and the school may need to take action.
- I will ensure my child does not use social media sites that are not age-appropriate (for example, Facebook, WhatsApp, Instagram, Snapchat, YouTube).
